

## Sixteenth Amendment to the Iowa Medicaid Enterprise Core MMIS Contract

This Sixteenth Amendment to Contract Number MED-04-015-A is effective as of March 1, 2016, between the Iowa Department of Human Services ("Agency" or "Department") and Noridian Healthcare Solutions, LLC (Contractor).

### Section 1: Background

The parties are amending the Contract to reflect the delay in Medicaid modernization, with a new expected "go live" date of April 1, 2016 for implementation of modernization efforts. This amendment accommodates a change in scope of Contractor services beginning the month of "go live," and therefore expected in April 2016, and running through the end of the Contract.

**Section 1: Amendment to Contract Language.** The Contract is amended as follows:

**Revision 1:** Section 6.1 of the Contract, paragraph beginning, "Notwithstanding the above," and ending with "hourly rate referenced in Revision 4," is hereby amended to read as follows:

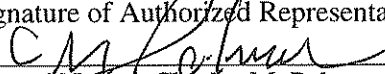

Notwithstanding the above, the above payment obligations shall terminate as of April 1, 2016. Beginning April 1, 2016, Contractor may invoice the Department \$539,116.92 per month for Operations in the remaining three months of SFY 2016, for a total of \$1,617,350.76. Beginning in July 2016, IHAWP and SSAE costs will no longer be included, and Contractor may invoice the Department \$534,497.62 per month for SFY17 Operations, for a total of \$6,413,971.44. SSAE is not required for SFY17. In addition to the above fixed fees, Contractor may invoice the Department a pass through for actual postage costs incurred. In the event all nine contractually required programmers are not fully utilized in support of ongoing operational activities, Contractor will reduce the monthly invoice amount by the unused hours at the then current CSR hourly rate.

### Section 2: Ratification & Authorization

Except as expressly amended and supplemented herein, the Contract shall remain in full force and effect, and the parties hereby ratify and confirm the terms and conditions thereof. Each party to this Amendment represents and warrants to the other that it has the right, power, and authority to enter into and perform its obligations under this Amendment, and it has taken all requisite actions (corporate, statutory, or otherwise) to approve execution, delivery and performance of this Amendment, and that this Amendment constitutes a legal, valid, and binding obligation.

### Section 3: Execution

IN WITNESS WHEREOF, in consideration of the mutual covenants set forth above and for other good and valuable consideration, the receipt, adequacy and legal sufficiency of which are hereby acknowledged, the parties have entered into the above Amendment and have caused their duly authorized representatives to execute this Amendment.
